

Importing Biosecurity Material to Griffith University

Step 1: Determine if an import permit is required

- x Check if an import permit is required by searching the Department of Agriculture, Water & the Environment (DAWE), Biosecurity Import Conditions Database [BICON](#).
- x If you are unable to find the material you would like to import contact the Griffith University Biosafety advisors for advice at ubc@griffith.edu.au
- x Read the import conditions that apply to the material and ensure they can be complied with.
